

Dr. AnadiCharanSahoo (Principal), M.Sc. , Ph. D. (Utkal Univ.) in Computational Fluid Dynamic (Applied Mathematics) Dr. Sahoo currently acting as Principal -TITE and HOD, BSH. He is expert in solving problems on Numerical Methods, Operations Research, and Differential Equation. He has published 12 Research papers in different National and International Journals. His title of Ph. D Thesis: FLOW ANALYSIS OF VISCO-ELASTIC FLUID. He is prolific in the field of teaching with more than 14 Years of versatile experience in Mathematical problem solving and academic administration. He has earlier worked as the principal of TempleCity Institute of Basic Science (TIBS) for 3 year. He is an asset to the dynamic organization.
