Welcome to IIG Group of Companies

Education

A K-12 CBSE, day-cum-residential international school with global learning standards.

A leading institute offering B.Tech, MBA and Diploma programs in diverse and future-focused disciplines.

A premier institute offering industry-relevant curriculum in B.Pharm and D.Pharm.

A specialised coaching institute preparing students for IIT-JEE and NEET entrance exams.

A trusted international preschool and daycare with a play-based curriculum for holistic development.

A premier finishing school offering skill development and grooming programs to boost employability.

An emerging +2 Science residential college offering foundational courses in science.

A leading institute offering top-tier education in law and commerce.

Sports and Wellness

A premier sports training institution with world-class facilities and professional coaching for diverse indoor and outdoor sports.

India's leading transitional care provider specializing in post-hospitalisation rehabilitation and home healthcare services

A sustainably designed premium senior living community blending wellness, nature, and an active lifestyle

Arts & Culture

A multidisciplinary creative hub offering professional mentoring in visual and performing arts for all age groups.

Technology

A 360-degree IT solutions company specialised in software development, digital marketing, IT infrastructure, and cybersecurity.

Others

A real estate and infrastructure company developing residential, commercial, and institutional projects.

A farm-to-table venture, growing and delivering organic fruits and vegetables.

About Us

The TempleCity Institute of Technology and Engineering (TITE) is a progressive institution deeply committed to empowering future engineers and management professionals with innovative skills and industry acumen. Emphasizing holistic student development, TITE combines academic rigor with real-world applications to simultaneously nurture the students' professional expertise and essential life skills.

The various departments at TITE offer a comprehensive range of disciplines, each designed to equip students with the technical expertise and innovative thinking needed to excel in their chosen fields. By integrating cutting-edge technology, hands-on learning, and industry-focussed curricula, into the teaching-learning process, these departments enable both academic and professional growth. Supported by a distinguished faculty, TITE fosters innovation and values-driven learning, aiming to shape graduates who are proficient and impactful contributors to society.

To pioneer a new movement for ushering in world-class higher education in India. To be a leader in engineering and management education, fostering a transformative learning environment that nurtures innovation, sustainability, and global competencies, while consistently evolving as per industry needs to prepare students for impactful careers and leadership.

Our mission is to establish a rigorous academic foundation complemented by research, practical skills, and ethical leadership, and to use knowledge as a tool for human empowerment. We are deeply committed to empowering students to excel in a rapidly changing world through continuous innovation, fostering collaborations with industry and academia, and cultivating a culture of lifelong learning.

At TITE, we have an unwavering commitment to quality education. We constantly strive to provide a positive and conducive learning atmosphere that not only enables our students to achieve excellence in their fields of study but also shapes their overall personalities by encouraging intellectual growth, instilling values, and bringing out the best in them.

WELCOME MESSAGE

Siddharth Sankar Rout
CEO, IIG Education Group

Welcome to TempleCity Institute of Technology and Engineering (TITE), where innovation, excellence, and leadership thrive.

As CEO, I believe education is the key to personal and societal growth. At TITE, we are committed to empowering you to become leaders who will shape a brighter future. Here, education goes beyond textbooks, fostering a spirit of inquiry and discovery.

Our curriculum blends cutting-edge knowledge with ethical values, ensuring you develop both the technical skills and the integrity needed to succeed. We emphasize resilience, creativity, and teamwork, encouraging you to embrace challenges as opportunities for growth. Through hands-on projects and industry collaborations, we prepare you for real-world success.

At TITE, we are more than just an institute; we are a community dedicated to shaping future leaders who will drive change and innovation. Here, you'll find state-of-the-art facilities, experienced mentors, and a vibrant ecosystem that nurtures your potential. Our holistic approach ensures that you graduate not just with a degree but with the confidence to lead. Together, let's turn your aspirations into impactful achievements and create a legacy of excellence.

Welcome to TITE – where tomorrow's leaders are made.

Prasenjeet Pati
Chairman, TITE

In today's fast-paced and ever-evolving world, the pursuit of excellence is more crucial than ever. At TempleCity Institute of Technology and Engineering (TITE), we are proud to stand at the forefront of this transformation. Education is not just a means to acquire knowledge, but a powerful force for social change. Guided by this conviction, TITE is committed to nurturing individuals who will lead with vision, compassion, and integrity.

We place a strong emphasis on employability and career readiness, through dedicated training programs, industry-aligned workshops, and continuous placement support. Our placement-oriented initiatives are designed to bridge the gap between academic learning and industry expectations.

We have created a secure and comfortable campus, continually being upgraded with modern infrastructure to support academic and extracurricular growth. Besides advanced classrooms, labs, and workshops, a canteen offering nutritious and affordable meals and a well-stocked library are among the on-campus facilities.

Our faculty and staff are deeply invested in each student's journey, supporting them to excel in their chosen paths while also becoming responsible and engaged citizens. On becoming a part of the TITE family, you are stepping into an environment that values your aspirations and is committed to helping you realize them. Together, let us shape a future defined by innovation, purpose, and progress.

Prof. (Dr.) Ajit Ku. Khatua

Principal

I extend a warm welcome to all students who have chosen TempleCity Institute of Technology and Engineering (TITE) to pursue their professional education. I assure you that you have made a wise decision for your career. At TITE, we are deeply committed to providing a dynamic and forward-thinking education that aligns with the ever-changing demands of today's industry. With an emphasis on critical thinking and innovative problem-solving, we strive to create an enriching and fulfilling learning experience for all our students. Alongside technical excellence, we emphasize building strong communication and managerial skills to prepare our students for the challenges of the global corporate world. I am sure each student will thrive here and emerge as a leader not only in their professional career but also in life.

Prof. (Dr.) Anadi Ch. Sahoo

Director, TITE

I am pleased to introduce TempleCity Institute of Technology and Engineering (TITE) as a progressive institution committed to providing education that prepares students to excel in an increasingly complex and interconnected world. At TITE, we have always prioritized the holistic development of our students through a blend of rigorous academics, hands-on experiences, industry exposure, and opportunities to engage in sports, cultural activities, and social service. Our team of dedicated faculty, skilled instructors, and state-of-the-art facilities collectively drive our mission of excellence. I am confident that students who choose to join us will graduate with industry-ready knowledge and expertise to fulfill their aspirations and realize their dreams.

Dr. Subrat Ku. Mohanty

Director, IQAC & Academics

I believe that academic excellence is not just a goal but an ongoing commitment. It's about creating an environment where curiosity thrives and every student feels empowered to grow. The Internal Quality Assurance Cell (IQAC) plays a crucial role in this journey. It acts as a backbone for continuous academic improvement, guiding departments to not only meet standards but to go beyond them. Whether it's preparing for accreditations or driving new teaching-learning innovations, our focus remains on one thing: meaningful success. As the Director of IQAC and Academics, I strive to ensure that our academic ecosystem stays dynamic, relevant, and future-ready. From streamlining curriculum to promoting outcome-based education, from enabling faculty development to fostering student-led research—we are deeply invested in raising the bar every single day.

Why TITE should be your

FIRST CHOICE?

Eco-friendly, sustainable campus:

Experience the perfect learning environment in an 18-acre lush green, pollution-free campus equipped with modern technology.

Dynamic and Dedicated Faculty:

Get guidance from experienced and efficient faculty, committed to nurturing industry-ready professionals.

Emphasis on Innovation and Entrepreneurship:

Build first-hand experience through collaborative projects, get special training on emerging technologies and entrepreneurial development programs.

Holistic Growth: Be assured of all-round development in our unique learning environment with equal focus on academics and co-scholastic activities to build essential skills for the future.

Safety and Wellness: Thrive in our ragging-free, friendly campus with necessary support mechanisms like 24X7 medical assistance, biometric attendance, and CCTV surveillance for a secure learning experience.

Top Placement Opportunities: Robust training and grooming opportunities and guaranteed interviews in top companies through collaboration with IIG Varsity.

State-of-the-art Infrastructure:

Over 2.4 lakh sq.ft. of built-up area for academic facilities including contemporary classrooms, a well-stocked hybrid library, and cutting-edge technical labs.

Unmatched Industry Exposure:

Benefit from internships, industrial visits, and regular seminars conducted by industry experts.

Grooming for Global Citizenship:

Enhance your global competitiveness and employability through exposure to diverse communities and skills like foreign language training.

Student-Centric Education: Enjoy your learning journey with the assistance of dedicated faculty through personalized guidance, tutorial support, regular doubt-clearing classes, and grooming sessions.

Modern Amenities: Have a vibrant campus life with all facilities at your disposal including secure hostels for students, faculty accommodations, a canteen, recreation spaces, and a dedicated training and placement center.

A Campus to

Learn, Explore, and Thrive

The TITE campus is more than just physical spaces- it is a foundation for empowering students to explore their potential, innovate, pursue their passions, and realize their dreams. The TITE campus is laced with best-in-class facilities to foster learning, innovation, and holistic development. The campus infrastructure has been thoughtfully designed to meet the evolving needs of students and offer a conducive environment for academic excellence and personal growth.

Green & Clean Campus:

The TITE campus is spread over more than 18 acres of lush green, pollution-free surroundings. The campus emphasizes sustainability with landscaped gardens, eco-friendly practices, and green initiatives. The TITE campus is a balanced blend of contemporary facilities and natural beauty, creating a harmonious space for students to thrive academically and socially.

Modern Classrooms:

Classrooms at TITE are designed to ensure interactive and technology-driven learning experiences. The classrooms are spacious with comfortable seating arrangements and technologically enabled with advanced teaching aids like LCD projectors to create an optimal learning environment.

Cutting-Edge Laboratories:

TITE takes pride in its state-of-the-art laboratories that cater to various engineering disciplines. These laboratories provide students with hands-on exposure to the latest tools and technologies, encouraging practical learning and experimentation while building strong concept clarity as well. Regular upgradation ensures students stay on track with industry standards.

Digital Library:

The library at TITE is a vast repository of academic resources, including e-books, journals, and research papers, accessible to students anytime and from anywhere. The library also has a well-stocked collection of physical books and reference materials. Students can explore excellent learning resources in engineering, technology, management, health sciences, and allied subjects from the library.

Secure Accommodation:

For students from outside the state, and also those who choose to stay on campus, TITE provides safe, comfortable, and well-furnished living spaces. There are separate hostels for boys and girls, with all essential amenities including a reading room, recreation areas, and 3-tier round-the-clock security.

Workshops & Innovation Centers:

At TITE, we emphasize project-based learning which, besides enhancing the learning experience, builds skills like teamwork and collaboration in the students. We have dedicated spaces where students from different disciplines can create prototypes, develop projects, and conduct experiments - preparing them for industry challenges and academic research.

Sports Complex:

At TITE, we don't just focus on academic excellence but inspire students for overall development. We have advanced indoor and outdoor sports facilities to encourage students' engagement in various kinds of sports which not only promotes their physical fitness but also prepares them physically and mentally to navigate diverse challenges in life.

Canteen:

The canteen provides hygienic and nutritious food to appeal to the diverse taste buds of the students. Besides, the college canteen is a popular space for our students to unwind, discuss and socialize. Students meet, collaborate, and create memories over tasty, delectable snacks and cups of tea and coffee.

Wi-Fi-Enabled Campus:

The TITE campus offers a tech-enabled learning experience. With high-speed internet across the campus, students and faculty enjoy seamless access to digital resources and research opportunities.

TRAINING AND PLACEMENT

The TITE Advantage

At TITE, we sincerely strive to provide comprehensive support to prepare our students for a competitive and dynamic job market. Our commitment to career guidance and placement assistance is reflected in our unique collaboration with IIG Varsity – a premier skill-building center renowned for bridging the gap between academia and industry.

TITE is proud to be the only institution in India to have IIG Varsity as its own professional Training and Placement Academy dedicated to equipping its students with the technical expertise, professional skills, and real-world exposure needed to excel in their careers.

Domains Covered:

- ◆ Industrial Robotics
- ◆ Industrial Automation
- ◆ Robotic Process
- ◆ Automation
- ◆ Drone Technology

- ◆ VLSI and Embedded Systems
- ◆ AI, ML, IoT
- ◆ Data Science
- ◆ Full Stack Java
- ◆ Cloud Computing
- ◆ Cyber Security

- ◆ Communication Skills
- ◆ Time Management
- ◆ Stress Management
- ◆ Critical Thinking
- ◆ Emotional Intelligence
- ◆ Adaptability

IIG Varsity Credentials:

- ◆ **20+ Years of Excellence:**
Established expertise in career training and development.
- ◆ **1,000,000+ Students Trained:**
A proven record of transforming young talents into industry-ready professionals.
- ◆ **691+ Recruiting Companies:**
Strong industry connections ensure abundant placement opportunities.
- ◆ **15+ Top-Ranked Institutional Partnerships:**
Collaborations with leaders like IBM, Cranes Varsity, TalentSprint, AGIIT, and CADD Center.

Career Preparation at TITE:

- ◆ **Integrated Training Programs:**
Skill development starts from your very first semester.
- ◆ **Hands-On Internships:**
Gain real-world experience at India's top industrial hubs.
- ◆ **Guaranteed Interviews:**
Access 4-5 placement opportunities with leading companies.
- ◆ **Industry-Ready Skills:**
Graduate with confidence to excel in today's competitive world.
